

AKRON 2010 CURBSERVICE PROGRAM

TRASH/RECYCLE AUTOMATION SERVICE

2010 Curbservice & Recycling HOLIDAY SCHEDULE

If your weekly trash pickup falls on or after one of the following holidays, it will be delayed ONE day:

NEW YEARS DAY Friday, January 1, 2010

MARTIN LUTHER KING JR. DAY Monday, January 18, 2010

MEMORIAL DAY Monday, May 31, 2010

INDEPENDENCE DAY Monday, July 5, 2010

LABOR DAY Monday, September 6, 2010

THANKSGIVING DAY Thursday, November 25, 2010

"Rules & Regulations"

- You must place your household trash on the curb in City approved containers. Approved containers are: City-owned 96-gallon wheeled carts for garbage and 64-gallon blue wheeled carts for recyclables.
- Any other containers such as standard plastic, galvanized cans, kitchen cans, or laundry baskets are not acceptable.
- You must bag all loose garbage, secure the bag with a tie, and place in your 96-gallon trash container.
- Do not put your City containers on the curb prior to 4:30 p.m. the day before collection or later than 4:30 a.m. on the day of collection.
- Have your City trash and recycle containers about 3 feet apart from one another so that the truck mechanical arm can lift with ease to avoid obstructions.
- Please remove your empty City container by 6:00 p.m. after serviced on collection day.
- Do not put roofing material, concrete, plaster, dirt, sand, gravel, bricks, or drywall in containers on curbside. Demolition/construction material will not be collected.
- Auto parts are not acceptable.

Important Information: All bagged trash must be placed inside the City trash container; if not, it will not be collected.

The City will provide **weekly bulk pickup** of trash on your normal collection day. Here is a brief list of acceptable household trash for **bulk** item pickup:

- Furniture, dressers, mattresses, couches, chairs, bookcases, house doors, storm doors, storm window, bicycles, basketball hoops (dismantled), televisions 19" and above, tires, and appliances. Wood, branches, brush, carpeting, and fencing must be bundled/rolled, tied, and no longer than 4 feet long.

No Hazardous Waste will be Accepted

Special Pickup: The City will provide a Special Pickup for our curbservice residents. This service consist of house, garage, and moving cleanouts of household trash. This is also the opportunity to set out extra bags, that will not fit in your City container, on your curb strip. You are allowed as well, to set out bagged leaves during the City's Leaf Removal Program during the Fall of each year. Each home will be allowed two (2) special pickups per calendar year on your normal trash collection day. Special pickup of trash from each home must not exceed 20 yards. Most importantly, you must preschedule your special pickup request within one (1) week and not to place the trash on the curb prior to 4:30 p.m. on the day before your normal collection day. Please place your special pickup order by contacting our 3•1•1 Call Center at: 330-375-2311.

Recycle collection days are every week.

♻️ RECYCLE the following in blue or clear bags (no black bags):

- All metal food and beverage cans
- Aluminum trays and aluminum foil
- Glass bottles and jars of any color
- Rigid plastics marked #1 to #7
- Empty aerosol cans

♻️ RECYCLE the following in your brown grocery bags or tie in bundles:

- Newspapers, magazines, phone books, cardboard (corrugated only)
- Recyclables must be bagged and/or tied or bundled and placed in 64-gallon blue Recycle City container

Curbservice crews work all other Holidays, so there will be no delay in your trash pick up.
