

All-America Bridge Rehabilitation

PID: 86383

Project Name: All-America Bridge Rehabilitation

Project Description: The city of Akron is proposing to renovate approximately 24,500 square yards of the bridge deck with a concrete overlay, from Martin Luther King Blvd. (Perkins Street) to the northern limits (Olive Street) of the bridges along with other minor associated bridge deck repairs. The project includes approximately 10,200 lineal feet of decorative safety fencing/railing and light fixtures. Gusset plate rehab is included.

Project Coordinator: Travis L. Capper, P.E.

Work to Begin: Spring 2010

Estimated Completion: Fall 2010

Stimulus Investment: \$6,767,749

Total Project Cost: \$7,448,000
